Escalation Readiness

When the security situation deteriorates — 72-hour preparation

Water & Food (72 Hours Minimum)

- [ ] **Water — 3L per person per day × 3 days**
  Sealed bottles; stored in protected space or by go bag; replace every 3 months
- [ ] **Water for infants — extra for formula prep**
  Bottled water suitable for babies; enough for 72 hours
- [ ] **Non-perishable food for 72 hours**
  Canned goods, crackers, dried fruit, energy bars — no cooking required
- [ ] **Baby food / formula / snacks for 72 hours**
  Pre-measured formula; pouches; age-appropriate snacks
- [ ] **Pet food for 72 hours (if applicable)**
- [ ] **Manual can opener + disposable plates/cutlery**

Power & Communications

- [ ] **Power banks — fully charged**
  Enough to charge all phones for 72 hours
- [ ] **Battery-powered or hand-crank radio**
  For updates if internet/cell goes down; test batteries
- [ ] **Spare batteries (AA, AAA, torch)**
  For torch, radio, and any medical devices
- [ ] **Car — at least half a tank of fuel**
  Fill up before stations get crowded
- [ ] **Cash on hand**
  ATMs and card readers may go offline

Medical & Documents

- [ ] **Medications — 72-hour supply in go bag**
  Prescriptions, inhalers, insulin, EpiPens + printed prescriptions
- [ ] **First aid kit — stocked and checked**
  Bandages, antiseptic, painkillers, personal medical supplies
- [ ] **Copies of essential documents in sealed bag**
  ID, passport, licence, insurance, medical records, baby vaccination booklet

Household & Comfort

- [ ] **Torches checked, batteries fresh**
  One per room + one in go bag
- [ ] **Blankets or sleeping bags**
  For sheltering; nights can be cold
- [ ] **Change of clothes for each family member**
  In go bag or protected space; include warm layer
- [ ] **Hygiene: toilet paper, wet wipes, nappies, sanitiser, garbage bags**
- [ ] **Activities for children**
  Colouring books, games, stationery — shelter waits are long for kids
- [ ] **Fire extinguisher + smoke detector — functional**

- [ ] **Gas supply checked**
  Private: spare tank full. Shared building: tank > half full

Readiness Actions

- [ ] **All household members briefed on the plan**
  Shelters, roles, what to grab
- [ ] **Shelter check completed**
  Nearest shelters verified, routes walked, access confirmed
- [ ] **Go bag fully packed and by the door**
  Ready for sheltering-in-place and evacuation
- [ ] **Emergency contacts list — printed and in go bag**
  Family, neighbours, doctor, insurance
- [ ] **Daytime + nighttime postures activated**
  Switch to full readiness — see posture checklists
