SOP-10

Family Emergency Plan

Family coordination and role assignment — based on HFC guidelines

Family Conversation

- ☐ **Family meeting** held to discuss emergency plan

  Include all household members; explain dangers in age-appropriate terms

- ☐ Emergency types **explained**

  → missile attack / siren | earthquake | fire | hazardous materials

  Explain how to identify each: siren = missiles, shaking = earthquake, smoke = fire

- ☐ **Protected space** location known by all
- ☐ **Time to shelter** for your area known by all

  Check HFC Alerts tab at oref.org.il

Roles & Responsibilities

- ☐ **Roles assigned** by age and ability

  Everyone gets a role, regardless of ability

- ☐ Who grabs the **baby / children**
- ☐ Who grabs the **go bag**
- ☐ Who **closes doors and windows**
- ☐ Who checks on **elderly / mobility-limited** members
- ☐ Who handles **pets**

Critical Knowledge — All Members

- ☐ **Gas shutoff** — location and method known

  All family members must know when and how to shut off

- ☐ **Electricity shutoff** — location and method known

  Main breaker location

- ☐ **Weak points** in home identified

  → windows / glass | heavy objects | porcelain / ceramics | elevators

  These are NOT safe during emergencies

- ☐ **Emergency equipment** location known by all

  Where the bag is, what's in it, how to use each item

Meeting Places & Communication

- ☐ **Meeting place 1** — near home

  All family members know the exact spot and can find it independently

- ☐ **Meeting place 2** — remote/backup

Public park, landmark, or building further away

- ☐ **Emergency contacts list** — printed, visible

  Physical copy in prominent location + copies for each family member

- ☐ Key **phone numbers** memorised or written

  → 100 Police | 101 MDA | 102 Fire | 104 HFC

  Do NOT rely on digital contacts

- ☐ Each member knows **who to call** and **what to say**

  Callback number, what's happening, address, who's in the house

Order of Actions (Memorise)

- ☐ **1. NOTIFY** — call rescue services (or alert an adult if you are a child)

  As early as possible

- ☐ **2. SHUT OFF** — gas and electricity

  Prevent fire spread and ignition

- ☐ **3. DISTANCE** — move to protected space

  Based on the type of emergency

- ☐ **4. CLOSE** — add barriers between you and the threat

  Close windows and doors

- ☐ **5. ACT** — move to safe location

  E.g., under table during earthquake

- ☐ **6. LISTEN** — follow instructions from security forces / media

Drills & Review

- ☐ **Practice drill** completed — entering protected space in time

  Timed; all family members participated

- ☐ **Role assignments** reviewed and updated

  Check if new members added or abilities changed

- ☐ **Supplies** checked and updated

  Water bottles, batteries, food expiry dates

- ☐ **Communication plan** reviewed

  Each member knows who to contact

- ☐ Next **review date** scheduled

  Hold periodic meetings as threats or household composition change
